## Our plants on the map of Poland

## PRODUCTION PLANTS

### Damnica near Słupsk

Damnica is a place where natural spring and mineral water as well as drinks in PET bottles are produced. Production is based on our own deep water intakes located on the outskirts of the **Słowiński National Park**.

### Turów near Częstochowa

In Turów, production focuses on spring and mineral water in PET bottles. The plant relies on its own deep water intakes located in the picturesque region of the **Kraków-Częstochowa Upland**.

### Andrychów

The production plant in Andrychów is equipped with lines for the production of juices and drinks in PET bottles using aseptic filling technology.

## WATER, JUICES, DRINKS

All consumer products of the WOSANA and Mama i ja brands are aimed at family consumers.

### **Mama i ja spring water**

Mama i ja is a pioneering brand that has been on the market since 1998. The brand has a positive opinion from the Children's Health Centre No. 106/OP and is dedicated to children, pregnant women and nursing mothers.

### **Product quality and safety**

We maintain the high quality of our products by implementing a quality assurance system that complies with the principles set out in the international IFS Food quality standard and food law regulations applicable to our business.

## CONSUMER BRAND

WOSANA is a 'family-oriented' brand.

## ABOUT US

Brand owner and contract bottler.

## TWO PILLARS OF OUR BUSINESS

WOSANA is a recognised manufacturer with over 30 years of experience. Our business is based on two pillars: the sale of branded products and cooperation with customers in the PRIVATE LABEL sector.

### **Branded products**

Sales of products under WOSANA brands, the most famous of which are 100% juices and Mama i ja spring water – intended for pregnant women, nursing mothers and, above all, children from the first moments of life.

### **Cooperation with PRIVATE LABEL customers**

Cooperation with private label customers is a key area of WOSANA's service activity. We are currently a leading private label bottler. We cooperate with most retail chains operating on the Polish and foreign markets.

## CLASSIC JUICES

### 100% CLASSIC JUICES

Classic flavours of the most popular fruits in Poland.

**Every day on the family table.**

## NECTARS

### **CLASSIC NECTARS AND INNOVATIVE COMPOSITIONS OF POLISH FLAVOURS**

Nectars combining tradition with modernity – from timeless flavours of Polish fruit to surprising compositions.

**Well-known and appreciated – always full of flavour.**

TRADITIONAL FLAVOURS  
AND THE DIVERSITY  
OF POLISH FRUIT

WOSANA nectars come in flavours loved and known in every Polish home – from apples and oranges to plums and currants.

Well-known flavours will not disappoint at school or on the sports field. Our nectars are perfect as a drink or a light meal supplement. Regardless of the weather and season.

We offer nectars in Polish flavours in a variety of sizes, from 0.5 litre PET bottles to handy 1 litre bottles and even 3 litre bottles for the whole family.

ISOTONIC  
PUREVIT

PUREVIT is an isotonic drink for athletes  
of all fitness levels.

PUREVIT is what physically active people need during  
a demanding day when sport causes significant loss  
of water, micronutrients and electrolytes.

PUREVIT is available in a convenient 0.75 litre PET  
bottle. Our isotonic drinks are available in fruit flavours  
with added vitamin E, niacin, biotin, vitamin B6 and  
pantothenic acid. Their specially developed formula  
allows you to maintain proper hydration, even during  
intense physical activity.
